

UPDATE DECEMBER 2020

WHERE ARE WE UP TO WITH PROJECT QUATTRO?

Project Quattro was announced by OceanaGold Waihi in July 2020. Since that time, we have been talking with and listening to the community and reviewing all aspects of the project.

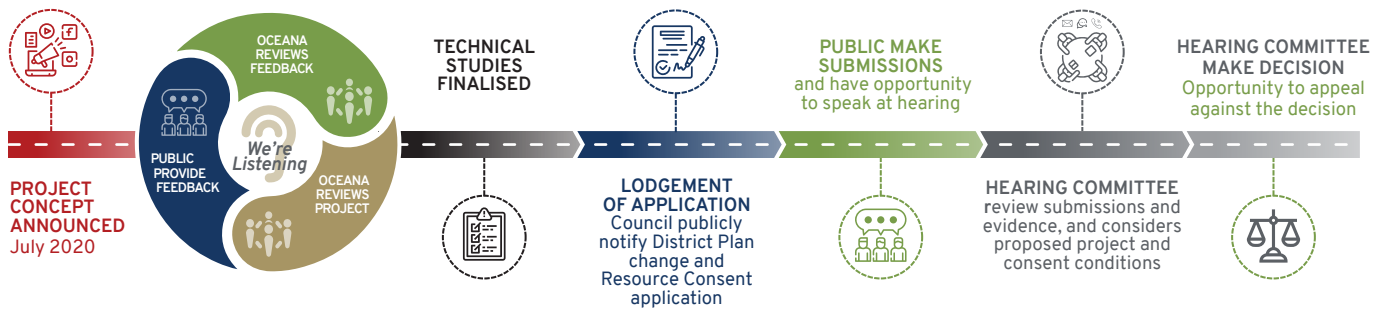

All of the options we have discussed with stakeholders are still being considered. Project Quattro is a large complex project, due to this complexity, we are continuing to develop the technical studies. Once these have been finalised, we will be ready to lodge an application for Project Quattro. The lodgement for resource consent was planned for November, this has now been pushed into 2021. We will update you on a new lodgement time-frame for Project Quattro, in the New Year.

PROJECT INFORMATION OFFICE HOURS OVER THE HOLIDAY PERIOD

Our Project Information Office on Seddon Street will be open throughout the Christmas and New Year period from 10 am to 2 pm Monday to Friday, with the exception of the statutory holidays.

The Community Engagement Line **0800 WAIHIGOLD** will continue to be available 24 hours a day.

On behalf of OceanaGold staff, we wish you a safe and happy holiday season.
